Team Member

PROFILE

I am a young junior designer hoping to enter into the UX/UI industry and gain experience and skills that could help me create experiences for users that truly benefit them.

I am eager to learn from professional designers and work side by side with my peers.

EDUCATION

Trinity College | East Perth
2015 - 2023
Graduated with an ATAR Pathway in 2023

Curtin University | Bentley
2024 – 2025
Studying for a Bachelor of Design as a full-time student – Digital Experience and Interaction Design (UX/UI) with a minor in Graphic Design

2026 – Current Day
Studying for a Bachelor of Digital Creative Industries (swapped to an updated course - Immersive User Experience Design)

WORK EXPERIENCE

IGA Second Avenue | Cashier
2022 – Current Day
On top of regular cashier duties, I serve cigarettes and alcohol, stock shelves, and do any other jobs that need to be done.

UX/UI Design | Freelance
2025 – Current Day
I take on freelance work for businesses or individuals who need website design and development.

Curtin | Project
2026
I worked in a team to create a Virtual Production piece for Curtin University, working with OMG Studios.
